Zone A – Upper Level Cultural Interface
Connects the eastern and western wings above the café, linking studios, offices, rehearsal rooms, and performing arts classrooms.

Zone C – Applied Sciences & Classrooms
Classrooms, offices, and seminar rooms aligned with the gallery void, extending the ground-floor learning spaces.

Zone B – Upper Level Classrooms & Learning Studios
Classrooms and group studios connected by central circulation, supporting collaborative learning and overlooking the gallery void.

First Floor Plan | Scale: NTS

Shows upper-level spatial distribution, learning environments, and circulation continuity.
